Plot 42, Nakasero Road, Kampala

## PRE-QUALIFICATION NOTICE

**Makerere University Walter Reed Project (MUWRP)** is a non-profit biomedical research organization, whose mission is to mitigate disease threats through quality research, health care and disease surveillance. MUWRP was established in 2002 by a Memorandum of Agreement between The Henry M. Jackson Foundation for the Advancement of Military Medicine, Inc. (HJF) and Makerere University (Mak) to undertake medical research to test HIV vaccines. Over the years, MUWRP's portfolio has progressively expanded to include vaccine research for Ebola and Marburg viruses, surveillance of influenza and influenza-like viruses and other emerging infections in humans and animals; also, epidemiological, basic and implementation research in HIV treatment, care and prevention programs in the districts of Kayunga, Mukono, Buvuma and Buikwe.
